Discernment – The Language of the Spirit

Introduction

When God speaks to our hearts and minds He is attempting to mold us – to bring us into our divine destiny.

This book is humbly
dedicated to God - the
Father of us all...
And to the many people
And places that have
Helped to shape this
Writing.

*The Word of God is quick and powerful and sharper
than any two edged sword, piercing even to the dividing
asunder of soul and spirit, of joint and marrow, and is a
discerner of the thoughts and intents of the heart.
Hebrews 4:12.*

I will give unto him that is athirst of the fountain of the river of life. Freely. And to him that overcomes, he shall inherit all things. I will be his God and he shall be my son.

Revelation 21:6.

Preface

After much searching, this compiler discovered there has not been much written on the subject of Discernment. It seems as though it has been left mainly a mystery or for some far off monk in an obscure corner of the world.

God does not want us to be in the dark or at a disadvantage. He is releasing a wide awakening into the Spirit realm at this time. He is releasing the "new wine" to people who are looking for Truth today.

We are living in an ever increasingly difficult world and society where only with the help of the Holy Spirit will we be able to rightly step through these camouflaged and strange end times. Many Christians have spoken about vivid dreams they have been having and receiving. Others tell of promptings or feelings in their innermost being. People who never sang before have a song inside, psalmists are coming to the forefront and more and more prophecies are being spoken....

It is my hope that this writing will be a catalyst in your journey to a closer, more personal relationship with God Almighty, His Son, and the Holy Ghost
